The Christian Heurich Brewing Co.
26th & D Streets, N. W.
Washington 7, D. C.

Dear Mr. Heurich:

Confirming today's telephone conversation, I am enclosing three copies of Standard Form 95. I would appreciate it if you would fill out and return two copies, retaining the third copy for your file.

It also will be necessary that you submit two estimates of damage. Would you therefore send along the Skinker and Mayflower estimates, together with an additional estimate as to the two items of damage. As soon as the estimates and the Form 95 have been received we shall process the claim as expeditiously as possible.

Sincerely yours,
